

**There May Be Tears - (Madison / Rileigh Cunningham)**

**VS 1) F#m A E Bm**  
This young girl, traveling in this confusing world, with a burden on her shoulders,  
**F#m A E Bm**  
Lost and sad, wondering if this is all she has, feeling so alone  
**F#m A E Bm**  
This young man, thinks he's got it figured out and planned, with everything he knows  
**F#m A E Bm**  
Confident, living self assured, his five year plan but does he really know? What his future holds..

**PRE-CHORUS**

**Bm A E Bm A E**  
As they walk down their different paths, a quiet voice whispers in their heads

**CHORUS**

**D A**  
My children don't worry take my hand  
**E Bm**  
I'm taking you down this road you don't understand... yet  
**D A E**  
There may be tears while your waiting for these answers,  
**E Bm**  
You only see the picture I can see the future  
**E D F#m**  
I can tell you right now, its gonna be alright

**VS 2 ( F#m A E Bm)**  
This wealthy man, thinks he's got the worlds inside his hands, but does he really know  
He lives in fear, hoping all he has wont disappear, in the shadows  
His anxious love for gold, cannot satisfy his soul, or save what is lost  
Impossible with man, God rescued with his hand and saves what is lost

**PRE-CHORUS**

**Bm A E Bm A E**  
As he walks down his lonely path the same voice whispers in his head...

**CHORUS**
